## Help shape sport and recreation in Queensland

Queenslanders love their sport and recreation. We believe everyone should have the opportunity to play and be active.

That's why we are asking for your help to develop a strategy—the **Queensland Sport and Active Recreation Strategy**—that will encourage all Queenslanders, regardless of age, ability or background, to get out, get active and connect to their community.

*We want to hear from you*

*Tell us what is working well and what could be done better.*
